Subject: No to Bank of Wal-Mart

I am opposed to approval of the Bank of Wal-Mart because:

- 1) This will make it harder for local and community banks to become established, flourish and grow.
- 2) I am totally opposed to this dangerous concentration of power and influence via money by the largest corporation in the world. We need to de-centralize power and money centers.
- 3) Wal-Mart has a reputation for flouting long-established laws and regulations. As they gain influence and power, this will only make it easier for them to "make their own rules."
- 4) I shop and do business locally and wish more emphasis could be put on this scale.
